

THE 4

COUPÉ

EVEN
THE MOST EXCITING CAR
IS NOTHING
UNTIL EXPERIENCED.

IMITATION
IS INEVITABLE.

STYLE TEMPLATE OF STYLE TEMPLATES.

AN ICON IN A SEA

OF ORDINARY.

TRENDS FADE,

STYLE IS FOREVER.

ONLY THOSE WHO DO NOT WANT TO PLEASE
ALL THE TIME CAN INSPIRE EVERYONE.

THE NEW BMW 4 SERIES COUPÉ.

□ **Active Cruise Control with Stop&Go function** maintains within a speed range of 30 to 160 km/h a pre-defined distance from the vehicle ahead, including stopping and restarting in stop-and-go traffic. Speed Limit Assist allows the takeover of speed limits in the cruise control. The front collision warning with brake intervention reacts to stationary vehicles, pedestrians and cyclists.

□ The **Steering and Lane Control Assistant with extended functions*** can be activated to support you in monotonous traffic situations. It helps you to keep the vehicle in the centre of its lane, assists you in narrow places and, with active route guidance, makes navigation on motorways easier.

□ **Parking Assistant Plus^{1,*}** makes parking and manoeuvring the vehicle easier. It features among others the Surround View system including Top View, Panorama View, Remote 3D View, as well as a lateral parking aid, the emergency braking function Active Park Distance Control, Parking Assistant with longitudinal and lateral guidance and Reversing Assistant.

□ The **Reversing Assistant*** stores the last 50 m of the driven path in forward travel up to 35 km/h, so that it can be retracted if required. You are relieved of the steering work and can concentrate on monitoring the vehicle environment.

¹ The driver is responsible for constantly monitoring the automated parking procedure in accordance with local road laws.

* The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

CONNECTIVITY AND INFOTAINMENT.

BMW ConnectedDrive
So connected, you're free.

BMW LIVE COCKPIT PROFESSIONAL

□ BMW Live Cockpit Professional* includes two high-quality displays consisting of a 10.25" Control Display and a fully digital 12.3" instrument display.

SMARTPHONE INTEGRATION

□ With smartphone integration ¹, your vehicle supports Apple CarPlay and Android Auto. This way, you can access your usual apps in the vehicle.

CONNECTED PACKAGE PROFESSIONAL

□ Prepared for everything: with the Connected Package Professional*, you can secure the most important services from BMW ConnectedDrive.

REAL TIME TRAFFIC INFORMATION

□ From traffic jams to roadworks. Real Time Traffic Information* will find you the quickest and best way to your destination.

BMW INTELLIGENT PERSONAL ASSISTANT

□ "Hey BMW. Who are you?" The BMW Intelligent Personal Assistant* is the soul of your BMW. It knows you and supports you in many situations.

¹ Smartphone integration is permanently available in the vehicle. It includes Apple CarPlay and Android Auto. Android Auto linking is only possible in conjunction with a BMW Live Cockpit. Due to possible future technical developments (e.g. of mobile phones), the usability of the Apple CarPlay or Google Android Auto service cannot be guaranteed permanently. CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google LLC.

*The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

COMFORT AND FUNCTIONALITY.

■ Standard equipment □ Optional equipment

■ The **Sport seats** for driver and front passenger provide optimum lateral support with their raised side bolsters and manually adjustable thigh support. The fore-and-aft position and seat angle can be manually adjusted.

□ **Automatic tailgate operation** allows the convenient opening and closing of the tailgate by simply pressing the button located in easy reach in the door panelling or on the vehicle key. The tailgate can also be opened in the conventional manner, using the outside handle, and closed pressing a button on the inside of the tailgate.

□ Even before the engine has reached its running temperature, the **seat heating for driver and front passenger** provides pleasant warmth, adjustable in three levels. The heat elements warm the surface of the seat, the side bolsters, and the entire contact surface of the backrest.

□ The **Automatic air conditioning** with 3-zone control and automatic temperature control features separate controls for you and your front passenger, as well as for the passengers in the rear. It also includes Automatic Air Recirculation (AAR), a micro active carbon filter, a fog and solar sensor, as well as rear air vents with a digital display.

□ The **Comfort Access** makes it possible to open all of the vehicle doors and the luggage compartment, without using the key. When approaching, the welcome greeting is activated even before the doors unlock automatically. You can additionally set up a BMW Digital Key on an iPhone – if compatible – or use the Key Card for accessing and starting the vehicle.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

BMW M440i xDRIVE COUPÉ.

■ Standard equipment □ Optional equipment

■ The M rear spoiler emphasises the vehicle's athletic silhouette and reduces unwanted aerodynamic uplift.

■ Aerodynamic components ensure an even sportier appearance. The M Aerodynamics package consists of a front and rear apron as well as the side skirts. The insert in the rear bumper panel is finished in black high-gloss.

■ The model designation of the new BMW M440i xDrive can be found on the right side of the tailgate and is designed in Cerium Grey.

□ The all-digital instrument cluster creates an adrenaline-loaded ambience in the cockpit with its exclusive "M440i" model designation, which is further enhanced by the compact M leather steering wheel with gearshift paddles.

ADDITIONAL EQUIPMENT.

Equipment 20 | 21

■ Standard equipment □ Optional equipment

□ The glass sunroof with slide and lift function, including an electric sliding interior roof, anti-trap protection, as well as comfort opening and closing, allows the airflow to be individually regulated to create a pleasant interior climate. The integrated wind deflector prevents draughts from developing in the interior and ensures a lower level of wind noise.

□ The M Sport brake has four-piston fixed calipers at the front and single-piston floating calipers at the rear in Red high-gloss^{1,*} with M lettering and features larger brake discs to ensure an outstanding braking performance. Adapted to the vehicle's very high dynamic potential, it also allows an exceptional athletic driving style and excellent braking on wet surfaces.

□ The tonally outstanding Harman Kardon surround sound system features a 464 W digital amplifier, nine channels and 16 speakers. Its sophisticated sound perfectly fills the interior space. Vehicle-specific, speed-dependent equalising precisely compensates for any background driving noise.

□ With BMW Gesture Control*, certain functions can be operated by means of defined hand movements. For certain operations the system will for example recognise gestures such as 'swiping' or 'pointing' for accepting or rejecting an incoming call, or circular motions of the index finger to adjust volume.

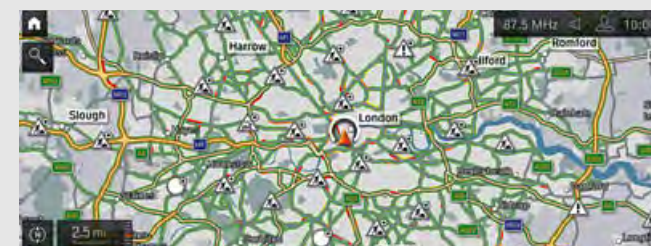

□ The M Leather steering wheel including multifunction buttons, an M badge and an integrated driver-side airbag is featured in three-spoke design. With a steering wheel rim in leather 'Walknappa' Black with black stitching and contoured thumb rests, it provides a direct, athletic steering experience.

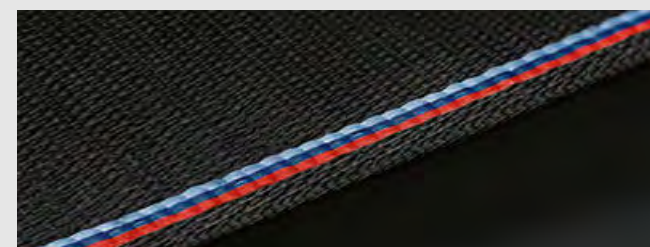

□ Ambient light, including Ambient contour lighting in the doors, creates a relaxed, cosy lighting atmosphere in the interior. The eleven dimmable lighting designs also include a dynamic function in four applications. The Welcome Light Carpet illuminates the area in front of the vehicle doors when entering and exiting.

□ The safety package Driving Assistant^{2,*} includes the camera-based systems front collision warning with braking function, Speed Limit Assist incl. Speed Limit Info with no-overtaking indicator and pre-warning as well as Lane Departure Warning. Additionally, the radar-based equipment includes rear crossing traffic warning, Lane Change Warning and rear collision warning.

□ BMW Maps - Connected Navigation* impresses with high accuracy of the predicted arrival time, extremely fast route calculation and simplified destination entry. This is possible through free text input. The cloud-based dynamic route calculation immediately adapts the route recommendation to any changes in the traffic situation.

□ The M seat belts with belt tensioner and belt force limiter boast an exquisite stitched highlight in the classic M colours.

□ The Parking Assistant^{3,*} parks the vehicle independently in cross and longitudinal parking spaces as well as out of longitudinal parking spaces. It is accessed via the parking button or by engaging reverse gear. All steering, driving and braking processes are taken over by the system, you only have to monitor the parking process.

□ The Adaptive M suspension can be electrically adjusted at any time to suit the road and driving conditions. You can also adjust the suspension characteristics via the Driving Experience Control to enable your preferred driving style at the time – from comfortable to extremely athletic with markedly agile handling.

□ 19" M light alloy wheels Double-spoke style 791 M Jet Black uni with mixed tyres and run-flat tyres, wheel size front 8J x 19 with 225/40 R19 tyres, wheel size rear 8.5J x 19 with 255/35 R19 tyres.¹

*The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

¹ Only available for M440i xDrive and M Sport package.

² Function may be limited in darkness, fog or bright glare.

³ The driver is responsible for constantly monitoring the automated parking procedure in accordance with local road laws.

You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner. Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website **www.bmw.de/recycling**.
